By Carrie McKeegan, CEO and Co-Founder of Greenback Expat Tax Services

Greenback Expat Tax Services is proud to partner with Overseas Vote Foundation and help boost expat voter registrations amongst Americans living abroad. We care deeply about all the issues expats face – not just taxes – so partnering with Overseas Vote is another way Greenback upholds its commitment to serving and advocating for the 9 million expats around the world.

We believe that US expatriates are passionate about the US and care deeply about its future. In our [2018 US Expat Survey](#), which received input from 3,800+ US expats around the world, we found that 63.7% of Americans living abroad planned to vote in the November elections. These votes could play an important role because many states are won in too-close-to-call elections. American expats have a profound influence on the outcomes. With so many [tax changes coming down the pike](#), it's crucial that expats rock the vote!

Let your voice be heard! If you're an expat that's already fulfilled your US tax filing obligation for the year, we encourage you to get out to vote. Haven't filed your US taxes yet? Register to vote and then get caught up! The outcomes of these elections impact American expatriate laws, how the US and its citizens are viewed overseas, and so much more. Don't let this opportunity pass you by! [Register to vote and request your overseas absentee ballot today.](#)
